For photographers interested in birds, Hagerman NWR has various scheduled events that may give you a great opportunity to locate and photograph birds. All are free and open for everyone to attend. Bring your camera!

- [The Little Sit](#). First Saturdays beginning 30 minutes before sunrise. Dedicated birders conduct a bird count as multiple species fly to the water and surrounding land to feed. Leaders will provide tips for identification of the species. This is not a hike, it a “sit” and participants are advised to bring a chair.
- [Early Bird Walk](#). Second Saturdays at 8:00 am. Lead by Master Naturalist Jack Chiles.
- [Birding with Jack](#). Tuesdays. Experienced birders, including Master Naturalist Jack Chiles, traverse 35 miles of refuge roads and hiking trails, documenting every bird they encounter. Each week they provide a link to their Bird Census Results that lists species and quantity of birds seen at the refuge.
