

ADOPT A NESTBOX FORM

Adopt a Nestbox at Hagerman National Wildlife Refuge for one nesting season, for a donation of \$35 to the Friends of Hagerman NWR. Boxes are monitored weekly by volunteers throughout the Bluebird nesting season and may host Bluebirds, Warblers, Chickadees or Titmice. Your nestbox will be chosen via a random draw at one of our Second Saturday presentations, and you will be informed of your nestboxes number and location, along with a map. Your name will be displayed on your adopted nestbox, and you will begin receiving weekly email updates and photos documenting nesting activity when the season begins in late February.

Please PRINT, submit a separate form for each nestbox you intend to adopt.

I would like to adopt this nestbox for (circle): myself as a gift

Name of person receiving nestbox updates:

Name to go on the box (required):

Email address of person receiving updates:

Name and address of person purchasing box:

Email address of purchaser (if different from person receiving updates):

Please enclose one form per box and a check for \$35 each and mail to:
